

The following items were considered at the Academic Council meeting held Friday, November 14, 2008.

Chemistry

A proposal was made to change the credit hours in CHEM 203 General Science for Elementary Teachers from three hours to four hours. This change was approved.

The following courses were approved to be added to the Peace and Social Justice minor:

PHIL 451 Philosophy and Social Justice

ENGL 328 Social Justice: A Rhetoric

POLS 489 International Relations and Christianity

PSYC 305 Peacemaking

By approving these courses, the Council gave its final approval of the Peace and Social Justice minor.
