I wish to apply for acceptance into ACU's summer Crow Internship program for the summer of \_\_\_\_\_.

I understand that my acceptance is based on a variety of factors, including my academic record and interests, my standing with the University, and my suitability for inclusion in the program.

I understand that the ACU code of conduct as specified in the Student Handbook applies to my participation in the Crow Internship program and that additional personal conduct expectations may be added to promote safety, learning, and community living in the Crow culture. These additional conduct expectations will be known to me prior to my decision to enroll for the Crow Internship.
