HONOR ROLL OF DONORS

We are proud to honor the following alumni, parents, friends, and companies who have believe in the mission of Abilene Christian University and desire to make an eternal difference in our students' lives. They have taken a step of faith that puts them in great company, joined with the many past and present donors who believe in ACU. If you read through the list, you will notice alumni from as far back as the class of 1934, as well as several current students and very recent 2009 graduates. We particularly highlight those whose unrestricted gifts to ACU 's Annual Fund impact every student on our campus. Thank you!
