

2005-06 CENTENNIAL ANNUAL FUND

HONOR ROLL OF DONORS

SENIOR CLASS GIFT DONORS

Each year, ACU's graduating seniors are encouraged to begin a lifetime habit of philanthropy by participating in our Senior Experience Program. Through this program, representatives of each senior class choose a project or fund on campus and designate seniors' gifts accordingly. The program culminates each spring when the senior class presents its gift to Dr. Money prior to commencement.

The classes of 2002-2005 chose to pool their gifts to help fund a campus jogging track. Thanks to their help and funding from the Lunsford family, the Lunsford Foundation Trail was completed in spring of 2006, and the trailheads and landscaping are being completed in Fall 2006. Circling the perimeter of campus, the trail provides a safe, all-weather exercise path benefiting students, faculty and staff members, and members of the Abilene community.

The class of 2006 chose to contribute to Jacob's Dream, a large sculpture located near the Onstead-Packer Biblical Studies Building and the Mabee Business Building. This sculpture, created by ACU professor Jack Maxwell, will be officially dedicated on Sept. 12, 2006.

Students who donate \$100 or more to their senior class gift are recognized with a personalized brick placed in their honor in the Alumni Walk. Each brick is engraved with the student's name and graduating class year. The Alumni Walk is located between the Onstead-Packer Biblical Studies Building and McGlothlin Campus Center.
