NEXT STEPS FOR DUAL CREDIT STUDENTS

- **Email is our primary means of communication.** To set up your myACU email account, follow the first-time user instructions found at my.acu.edu/email. Other services you'll find in your myACU account include an overview of your account balances, campus advertisements, and useful links to ACU Files, Banner and more. If you do not know your ACU Banner ID or have any other difficulty accessing your account, contact Team 55 at team55@acu.edu.
- **Identification cards for students are available.** Students have the option to submit their own ID photo by completing the steps at acu.edu/thedepot. On-campus students may stop by the Depot to pick up an ID card. Off-campus students should email the Depot (depot@acu.edu) to request the ID card be mailed to them.
- **Verify your course schedule.** MyACU (my.acu.edu) is the central hub for online tools including a list of your courses. You may also find course tools each instructor may have created for your class.
- **Purchase your course materials from The Campus Store.** The Campus Store is the official retailer for all ACU merchandise, including required course textbooks and resources. Orders can be placed online and are usually shipped within 48 hours during normal business hours. To make sure you're getting the right materials, login to my.acu.edu to view your schedule online while you shop. For more information, visit campusstore.acu.edu.
- **Login to Wildcat Pay Portal.** View your eBill, make payments or enroll in a pay plan, and set up authorized users by visiting acu.edu/payingforcollege.
- **Meet Financial Settlement.** Financial Settlement is achieved by paying the amount due in full, enrolling in a Wildcat Pay Plan or having an approved loan in place to cover the account balance.
- **Visit or call the Depot for more information.** The Depot is ACU's one-stop shop for your student service needs.
