

NEXT STEPS FOR DUAL CREDIT STUDENTS

- Email is our primary means of communication.** To setup your myACU email account, follow the first-time user instructions at my.acu.edu/email. Other services you'll find in your myACU account include an overview of your account balances, campus advertisements, and useful links to ACU Files, Banner and more. If you do not know your ACU Banner ID or have any other difficulty accessing your account, contact Team 55 at team55@acu.edu.
- Request your Student ID.** Identification cards for students are available. Students have the option to submit their own ID photo by completing the steps at acu.edu/wildcatcentral. On-campus students may stop by Wildcat Central to have their photo taken and pick up an ID card. Off-campus students should email Wildcat Central (wildcatcentral@groupmail.acu.edu) to request the ID card be mailed to them.
- Find out your course schedule.** MyACU is the central hub for a student's online tools. All of your courses are listed here when you visit my.acu.edu. In the list of your current courses, you also may find course tools your instructors have created for your classes. Always consult with your instructor first with questions about your specific class tools.
- Purchase your course materials from The Campus Store.** The Campus Store is the official retailer for all ACU merchandise, including required course textbooks and resources. Orders can be placed online and are usually shipped within 48 hours during normal business hours. You also may pick up materials in the store, which is located in McGlothlin Campus Center. To make sure you're getting the right materials, log in to my.acu.edu to view your schedule online while you shop. For more information, visit acu.bncollege.com.
- Log into Wildcat Pay Portal.** View your eBill, make payments or enroll in a pay plan, and set up authorized users by visiting acu.edu/wildcatpay.
- Meet Financial Settlement.** Financial Settlement is achieved by paying the amount due in full, enrolling in a Wildcat Pay Plan or having an approved loan in place to cover the account balance. New students must achieve Financial Settlement by Aug. 8, 2018.
- Visit or call (325-674-2300) Wildcat Central for more information.** Wildcat Central is ACU's one-stop shop for your student service needs.
