#### **Study Abroad (and in Washington, D.C.)**

A semester abroad is one of the most impactful educational experiences students can have. In addition to ACU's various study abroad sites in which sophomores typically enroll, for over 40 years the Council for Christian Colleges and Universities has operated Christian-based semester abroad programs around the world in Oxford, Jordan, Uganda, and Northern Ireland. They also operate professionally-focused domestic programs in Washington, D.C. (politics), Los Angeles (film), and Nashville (music). These programs are led by experienced full-time directors and have a strong reputation for academic rigor, Christian faith integration, and operational excellence. The courses also transfer to ACU. See [www.bestsemester.com](http://www.bestsemester.com).

#### **Southern Regional Pi Sigma Alpha Student Research Conference**

Students are invited to share their research with their peers by participating in the Southern Regional Pi Sigma Allpha Student Research Conference. PSA is the honor society for POLS students. The conference is held each February, and the deadline for submissions is early each January. Students exploring topics across political science are welcome to submit proposals in the many subfields that make up the discipline (American Politics, International Relations, Political Philosophy, Public Policy, etc.) Participants will receive detailed feedback on their papers through panel discussants. Conference participants pay no registration fee and are provided breakfast and lunch.

#### **Congressional Internship Opportunities**

Many ACU students work at their local district office or the Washington, D.C. office of their Congressman. Rep. Jodey Arrington (TX-19) is looking for an ACU intern for every semester and summer. If you or anyone you know (and of any major) are interested, please contact Rep. Arrington's either office or talk with Dr. Coates.

#### **Major Scholarships, including Fulbright Scholarships**

The ACU Office of Major Scholarships offers assistance for students interested in preparing (early!) for Truman, Marshall, Fulbright, Rhodes, etc. scholarships. See that Office or Dr. Coates for more information. The Department of POLS & CJ has recently had two students and one professor receive Fulbright's. Two of the activities you will want to consider beyond the B.A.- required language study is participation in a study abroad program and also taking the two courses at ACU to qualify for the TESOL teaching certificate.

#### **International Rescue Committee, Abilene**

The IRC in Abilene regularly accepts internship applications for the summer and fall semesters. An internship with the IRC provides professional experience with a renowned international non-profit. It also provides a multicultural experience from working with diverse clients and with the international staff in their office. IRC accepts interns from all majors and backgrounds to work in the case management, economic empowerment, immigration, and development departments. IRC requests a 12 hour per week commitment from each student. Apply several weeks prior to the semester to intern. Training is required.

**MSC SCONA** is an annual collegiate conference at Texas A&M University in February that brings together delegates from across the nation and the world. MSC SCONA discusses a topic of national and global importance, allowing delegates to interact with academic scholars, professionals, and well-known public figures. Delegates participate in small group "roundtables" led by a subject matter expert "facilitator" and work together to create a policy paper. Prior to the conference, students may opt to participate in the **International Strategic Crisis Negotiation Exercise**.

The ISCNE is a diplomatic simulation produced by the U.S. Army War College, which Texas A&M University hosts. Student delegates are divided into seven teams—each representing a nation-state—and work with a USAWC Fellow, who serves as their mentor. Each of the delegations represent a nation or interested global actor at a simulated peace conference facilitated by the "United Nations." MSC SCONA 64 and ISCNE will take place February 14-16, 2019. Registration will close in early February. Cost of the conference is \$80.

**U.S. Department of State**

Experience the thrill and rewards of working in a student program at the U.S. Department of State. Whether you are an undergraduate or graduate student seeking a substantive internship supporting U.S. Foreign Policy, there is no limit as to how far these opportunities can take you. At the Department of State, you will have the opportunity to gain insight into U.S. Foreign Policy and Diplomacy, explore new career avenues, and acquire lifelong skills as you represent America to the world. Their two programs, (1) U.S. Department of State Student Internship Program (unpaid) and (2) Pathways Program (paid), enable students to obtain job experience in a foreign affairs environment. Begin by finding which program is right for you, or speaking with a Diplomat in Residence about student programs. <http://careers.state.gov/intern>

The Student Internship Program is open to U.S. citizen college students with 60 credits at start of the internship who will be continuing their studies immediately after the internship. There are opportunities to gain practical, professional experience in a foreign affairs environment and insight into the substance and daily operations of U.S. foreign policy. The internship is 8-14 weeks, full-time, in summer, spring, and fall, and is located in State Department offices in Washington and other U.S. cities and over 100 U.S. embassies and consulates abroad. Apply via usajobs.gov. Deadlines may vary, but traditionally are in September for the following summer, March 1 for fall, and July 1 for the spring of the next year. Interested students should sign up for email alerts using the "Keep Me Informed" feature on careers.state.gov and clicking the "Student Programs" box on the menu.
